OUR PRODUCTS

Passenger Lifts

They are designed to suit every construction requirement, with trouble free performance and low maintenance cost.

Hydraulic Lifts

The Hydraulic elevators are based on the motor mechanism for hydraulic lifts. This further decelerating the impacting mass.

Goods Lift / Flameproof Goods Lift

Our Flame Proof Elevator is useful in carrying heavy loads from one floor to another with safety from flame.

Flameproof or Non-Flameproof Hoist/Crain

Our Flame Proof or Non-Flameproof Hoise / Crain is useful in carrying heavy loads from one Place to another with safety from flame.

OUR PRODUCTS

MRL Lifts

In cases where a machine room is not available, a Machine Room-Less lift (MRL) complete system is among the most economical, safe, tested and guaranteed propositions in the market.

Hospital Lifts

COMFORT is implementing experiences in developing Hi-tech Hospital Elevators that is superior in performance.

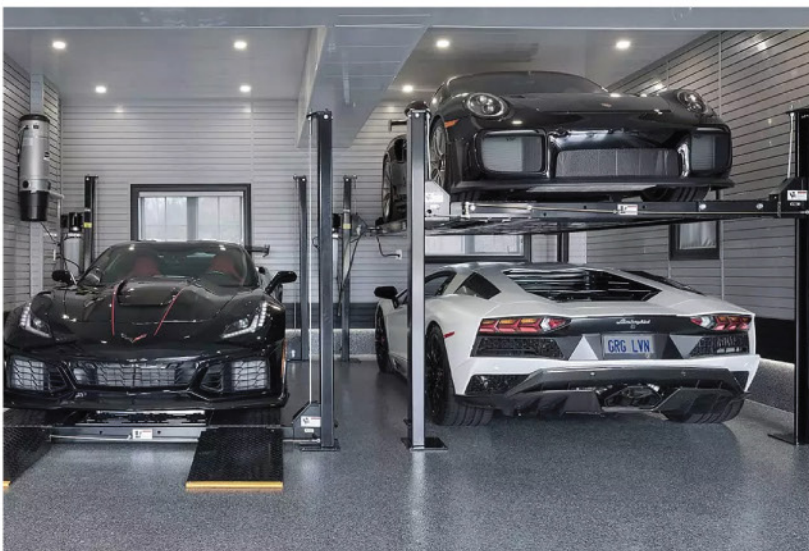

Escalator

Skirting Contacts have been installed at both the top and bottom of the escalator at the transition curve. Drive-Chain contact monitors the drive-chain for breakage. When actuated, the contact will stop the escalator.

Car Parking Lifts

Landing fixture: Lift operating fixture in Stainless Steel finish. Arrival gong provided in case of a twin lift system (duplex). Walls: Mild Steel (MS) painted or chequered plate MS/Aluminium.

OUR PRODUCTS

Chair Lifts

Offer you with simple and comfortable solutions, which can help you to access your garden and outdoors in most convenient manner.

Material Handling Equipment

We supply a wide range of hydraulic lifting equipment & material handling equipment.

Inspection / Alloy Lifts

Being an eminent firm, we are actively instrumental in developing best quality Alloy Lift. Demanded widely for its ease of operation and portable design the offered lifts are becoming most popular in the segment.

Dumb Waiter/ Kitchen Lifts

Dumb Waiters which is made using a high quality of raw materials which have been procured from well known market vendors.
